

## A Future for the Children...

### SPONSOR a schoolchild

AAH finances and supports the school «Le Reformiste» at «Rivière Froide», in Haiti. The founders of this school all grew up in this poor suburb of Port-au-Prince and they wish, above all, to provide those children with tuition who would not otherwise have this possibility. These children either no longer have parents or their parents are not able to pay tuition fees.

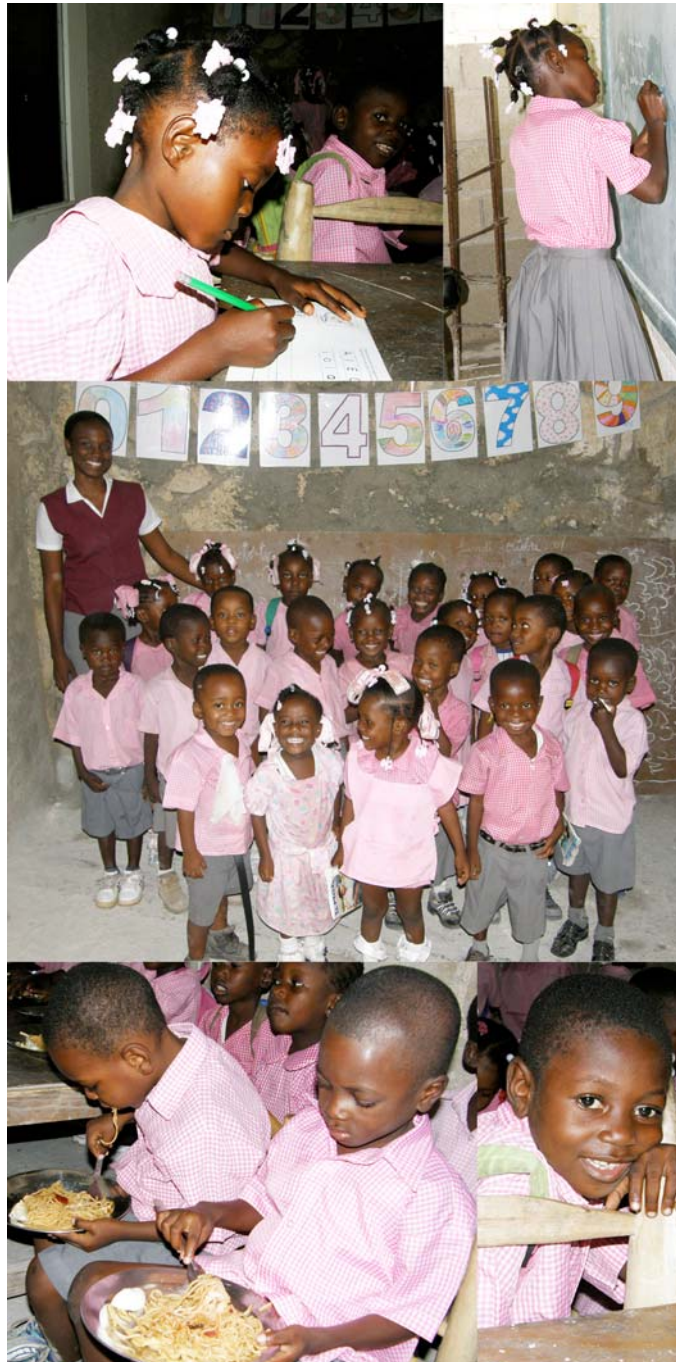

For this reason we are looking for sponsors, here in Luxembourg, who would be prepared to take over the monthly costs incurred by sending a child to school for a minimum of one year.

### The school at Rivière Froide:

The school «Le Reformiste» at «Rivière Froide» is managed by a director. Seven teachers are in charge of 170 pupils, who are divided into 7 classes. There are three play-school classes, one first year and one second year class, one class containing a mixture of third and fourth year pupils and one class of fifth year pupils. The school is open every day from Monday to Friday, from 7:30 to 12:30.

As you cannot work on an empty stomach, we employed two cooks, starting June 2006, to provide the children with a hot meal a day.

AAH is currently trying to have the school formerly recognised by the Haitian State, so that the children may continue their education without any problems. Unfortunately, this is not so easy in a country such as Haiti and it requires patience.

### The school financing on a monthly basis is as follows:

Sixty percent of our monthly budget for the school (=22 school days on average) is spent on food and water, which includes 2 meals of meat, rice, fish, milk, cheese, fresh fruit and vegetables, oil and herbs/spices. It is extremely important that these children are fed with something nutritious, as this is, for most of them, the only meal of the day.

The rest of the budget covers running expenses such as rent, school fees, salaries, educational material, maintenance and other.

For one child per month the cost is therefore as follows:

Food and water: 15 €

Running expenses: 10 €

### Provide a helping hand!

For just 25 Euros a month you can provide a child with the chance to learn to read and write. Give a child a chance for a better start into life and for a better future! If you are interested in our sponsorship project, please contact us via our homepage: [www.aah.lu](http://www.aah.lu) or return the coupon on the back of this leaflet to the address of the association.
